Sermon Series:

BLESS EVERY HOME

This new initiative, from the SBC of Virginia, helps churches and members reach their communities with the Gospel. Through an interactive website, church members are given an opportunity to be lights in their neighborhood. By utilizing the latest demographic information, church members will receive promptings on a daily basis to pray for five families by name. When reporting the activity on the website, the map will begin to shade the prayer coverage of the area. The strategy starts with **Prayer**. Learn how to sign up and get started with additional resources on Prayer, Care, Share & Disciple at:
